1. To receive the financial statements of the Corporation for its fiscal year ended September 30, 2015, and the report of the auditor thereon;
2. To fix the number of directors of the Corporation at three (3);
3. To elect directors of the Corporation for the ensuing year;
4. To appoint an auditor of the Corporation for the ensuing year and to authorize the directors to fix the auditor’s remuneration;
5. To consider and if thought fit to pass, with or without variation, an ordinary resolution to re-approve the Corporation’s Stock Option Plan allowing the granting of up to 10% of the Corporation’s issued and outstanding common shares at any time;
6. To consider and, if thought fit, approve an ordinary resolution of disinterested shareholders authorizing the creation of a new control person of the Company by Evanachan Limited (a company controlled by Robert McEwen), as described in the accompanying Management Information Circular (the “**Circular**”); and
7. To transact such other business as may properly come before the Meeting or any adjournment thereof.

The Circular contains details of matters to be considered at the Meeting and accompanies and is deemed to form part of this Notice.

The Corporation has elected to use the notice-and-access (“**Notice-and-Access**”) provisions under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 *Continuous Disclosure Obligations* to distribute Meeting materials to shareholders. Notice-and-Access is a new set of rules that allow issuers to post electronic versions of proxy-related materials on SEDAR and on one additional website, rather than mailing paper copies to shareholders. Shareholders have the right to request hard copies of any proxy-related materials posted online by the Corporation under Notice-and-Access.

Meeting materials, including the Circular, are available under the Corporation’s profile at www.sedar.com and also at <http://noticeinsite.tmxequity.com/BrixtonAGM2016>, and www.brixtonmetals.com/2016-agm-materials/. The Corporation will provide to any shareholder, free of charge, upon request to the Corporation’s transfer agent, TMX Equity Transfer Services (“**Equity**”) toll-free at 1-866-393-4891, a paper copy of the Circular and any financial statements or management discussion and analysis of the Corporation filed with the applicable securities regulatory authorities during the past year. In order to allow reasonable time for you to receive and review a paper copy of the Circular or other document prior to the proxy deadline, you should make your request for a paper copy to Equity by June 21, 2016.

A shareholder who is unable to attend the Meeting in person and who wishes to ensure that such shareholder’s shares will be voted at the Meeting is requested to complete, date and sign the form of proxy for the Meeting, or voting information form (“VIF”), and deliver the form of proxy, or VIF, in accordance with its instructions.

Dated at Vancouver, British Columbia, May 10, 2016.

BY ORDER OF THE BOARD

“Gary Thompson”

Gary Thompson
President, Chairman, Chief Executive Officer and Director

MANAGEMENT INFORMATION CIRCULAR

as at May 10, 2016 unless indicated otherwise

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by the management of Brixton Metals Corporation (the “Corporation”) for use at the annual meeting (the “Meeting”) of its shareholders to be held on June 30, 2016 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Circular, references to “the Corporation”, “we” and “our” refer to Brixton Metals Corporation. “Common Shares” means common shares without par value in the capital of the Corporation. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Corporation at nominal cost. The Corporation will bear all costs of this solicitation. We have arranged for intermediaries to forward the Notice-and-Access Notification (as defined below) to Beneficial Shareholders of Common Shares held as of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Notice-and-Access

The Corporation has elected to use the “notice-and-access” provisions (“**Notice-and-Access**”) that came into effect on February 11, 2013 under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 *Continuous Disclosure Obligations* of the Canadian Securities Administrators, for distribution of this Circular and other meeting materials, including the form of proxy (the “**Proxy**”), the voter information form (the “**VIF**”) and the Notice of Meeting (collectively, the “**Meeting Materials**”), to registered shareholders of the Corporation and Non-Registered Holders (as defined herein), other than those shareholders with existing instructions on their accounts to receive printed materials or those shareholders that request printed meeting materials.

Notice-and-Access allows issuers to post electronic versions of Meeting Materials online, via SEDAR and one other website, rather than mailing paper copies of such meeting materials to shareholders. The Corporation has adopted this alternative means of delivery in order to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

The Corporation has posted the Meeting Materials, and its audited financial statements and management discussion and analysis for the year ended September 30, 2015, under its profile at www.sedar.com and also at <http://noticeinsite.tmxequity.com/BrixtonAGM2016>, and on its website at www.brixtonmetals.com/2016-agm-materials/.

Although the Meeting Materials will be posted electronically online, registered shareholders and Non-Registered Holders (subject to the provisions set out below under the heading “*Beneficial Shareholders*”) will receive a “notice package” (the “**Notice-and-Access Notification**”) by prepaid mail, which includes the information prescribed by NI 54-101, and a Proxy, in the case of registered shareholders, or VIF, in the case of Non-Registered Holders, enabling them to vote at the Meeting. Shareholders should follow the instructions for completion and delivery contained in the Proxy or VIF, and are reminded to review the Circular before voting.

Shareholders will not receive a paper copy of the Meeting Materials unless they contact the Corporation’s transfer agent, TMX Equity Transfer Services (“**Equity**”) toll-free at 1-866-393-4891. Provided the request is made prior to the Meeting, Equity will mail the requested materials within three business days. **Requests for paper copies of the**

Meeting Materials should be made by June 21, 2016 in order to receive the Meeting Materials in time to vote before the Meeting.

Shareholders with questions about Notice-and-Access may contact Equity toll-free at 1-866-393-4891, or the Corporation's investor relations department at (888) 863-3801 or by email at info@brixtonmetals.com.

Appointment of Proxyholders

The individuals named in the Proxy are officers and/or directors of the Corporation. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or corporation other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you on your behalf at the Meeting. You may do so either by striking out the names of those persons named in the accompanying form of proxy and inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed form of proxy and returning it to Equity, by fax 416-595-9593, or by mail or by hand delivery at Suite 300, 200 University Avenue, Toronto, Ontario, M5H 4H1; or
- (b) using the internet through the website of Equity at www.voteproxyonline.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the Control Number and the proxy access number;

in all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Many shareholders of the Corporation may be "non-registered" shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the "**Non-Registered Holder**") but which are registered either: (a) in

the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “NOBOs”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Corporation are referred to as “OBOs”.

In accordance with the requirements of NI 54-101, the Corporation has elected to send the Notice-and-Access Notification directly to the NOBOs. The Corporation will not be mailing the Notice-and-Access Notification to the OBOs. The Corporation does not intend to pay for intermediaries to forward the Notice-and-Access Notification to OBOs, and an OBO will not receive the Notice-and-Access Notification unless the OBO’s intermediary assumes the cost of delivery.

The Notice-and-Access Notification is being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its agent has sent the Notice-and-Access Notification directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

By choosing to send the Notice-and-Access Notification to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering the Notice-and-Access Notification to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Notice-and-Access Notifications sent to beneficial owners who have not waived the right to receive Meeting Materials are accompanied by a VIF to be used instead of a Proxy. By returning the VIF in accordance with the instructions noted on it, a Non-Registered Holder is able to instruct the registered shareholder how to vote on behalf of the Non-Registered Holder. VIF’s, whether provided by the Corporation or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares which they beneficially own. **Non-Registered Holders receiving a VIF cannot use that form to vote Common Shares directly at the Meeting. Non-Registered Holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.** Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the Non-Registered holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder or his/her nominee the right to attend and vote at the Meeting.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder’s authorized attorney in writing, or, if the registered shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Equity at Suite 300, 200 University Avenue, Toronto, Ontario, M5H 4H1 or at the address of the registered office of the Corporation at Suite 2300, 550 Burrard Street, Vancouver, B.C., V6C 2B5 at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or

- (b) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors of the Corporation (the "**Board**") has fixed May 2, 2016 as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Each director elected will hold office until the next annual meeting of shareholders of the Corporation or until that person’s successor is elected or appointed, unless such person’s office is earlier vacated in accordance with the articles of the Corporation, or in accordance with the provisions of the *Business Corporations Act* (British Columbia) (“**BCBCA**”).

Advance Notice

The persons named in the accompanying form of proxy intend to vote in favour of fixing the number of directors at five. Although management is nominating five individuals to stand for election, other nominees may be put forward,

provided that such nominations are made in accordance with the Corporation's advance notice provision in its constating documents (the "**Advance Notice Provision**").

At the Corporation's annual general meeting held on May 2, 2013, the shareholders of the Corporation approved amendments by way of special resolution to the constating documents of the Corporation to include the Advance Notice Provision. The purpose of the Advance Notice Provision is to provide shareholders, directors and management of the Corporation with direction on the procedure for shareholder nomination of directors. The Advance Notice Provision is the framework by which the Corporation seeks to fix a deadline by which holders of record of common shares of the Corporation must submit director nominations to the Corporation prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Corporation for the notice to be in proper written form.

Subject only to the BCBCA and the Corporation's articles, only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation. Nominations of persons for election to the Board may be made at any annual meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors: (a) by or at the direction of the Board, including pursuant to a notice of meeting; (b) by or at the direction or request of one or more shareholders pursuant to a proposal made in accordance with the provisions of the BCBCA, or a requisition of the shareholders made in accordance with the provisions of the BCBCA; or (c) by any person (a "**Nominating Shareholder**"): (A) who, at the close of business on the date of the giving of the notice provided for below in the Advance Notice Provision and on the record date for notice of such meeting, is entered in the securities register as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting and provides evidence of such beneficial ownership to the Corporation; and (B) who complies with the notice procedures set forth below in the Advance Notice Provision.

In addition to any other applicable requirements, for a nomination to be made by a Nominating Shareholder, the Nominating Shareholder must have given timely notice thereof in proper written form to the Chief Executive Officer of the Corporation at the principal executive offices of the Corporation.

To be timely, a Nominating Shareholder's notice to the Chief Executive Officer of the Corporation must be made:

- (a) in the case of an annual meeting of shareholders, not less than 30 nor more than 60 days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than 60 days after the date (the "**Notice Date**") on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder is to be made not later than the close of business on the tenth (10th) day after the Notice Date in respect of such meeting;
- (b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the tenth (10th) day following the day on which the first public announcement of the date of the special meeting of shareholders was made; and
- (c) in a manner and timeframe specified by a valid and binding contractual agreement granting a board nomination right to a Nominating Shareholder.

For purposes of the Advance Notice Provision, "public announcement" means disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Corporation under its profile on www.sedar.com.

In no event shall any adjournment or postponement of a meeting of shareholders or the announcement thereof commence a new time period for the giving of a Nominating Shareholder's notice as described above.

To be in proper written form, a Nominating Shareholder's notice to the Chief Executive Officer of the Corporation must set forth:

- (a) as to each person whom the Nominating Shareholder proposes to nominate for election as a director: (A) the name, age, province or state and country of residence; (B) the principal occupation, business or employment of the person; (C) the number of securities in the capital of the Corporation which are controlled or which are owned beneficially or of record by the person as of the record date for the meeting of shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice; and (D) any other information relating to the person that would be required to be disclosed in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the BCBCA and applicable securities laws; and
- (b) as to the Nominating Shareholder giving the notice, the number of securities owned or controlled as of the date of such notice, full particulars regarding any proxy, contract, arrangement, understanding or relationship pursuant to which such Nominating Shareholder has a right to vote any shares of the Corporation and any other information relating to such Nominating Shareholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the BCBCA and applicable securities laws.

Notwithstanding the foregoing, the Board may, in its sole discretion, waive any requirement in the Advance Notice Provision.

KPMG LLP have been auditors for the Corporation since May 27, 2011.

Approval of Stock Option Plan

Shareholders will be asked to approve an ordinary resolution set forth below in this Circular ratifying the Corporation’s existing stock option plan (the “**Option Plan**”). The Option Plan is considered a “rolling” stock option plan, which reserves a maximum of 10% of the Corporation’s total outstanding Common Shares at the time

of grant for issuance pursuant to the Option Plan. Any previously granted options are governed by the Option Plan, and if options granted expire or terminate for any reason without having been exercised, the unpurchased Common Shares will again be available under the Option Plan. The policies of the TSX Venture Exchange (the “**TSX-V**”) provide that, where a Corporation has a rolling stock option plan in place, it must seek shareholder approval for such plan annually.

The purpose of the Option Plan is to allow the Corporation to grant options to directors, officers, employees and consultants as additional compensation, and as an opportunity to participate in the success of the Corporation. The granting of such options is intended to align the interests of such persons with that of the shareholders. Options will be exercisable over periods of up to ten years as determined by the Board and are required to have an exercise price no less than the closing market price of the Common Shares prevailing on the day that the option is granted less a discount of up to 25%, the amount of the discount varying with market price in accordance with the policies of the TSX-V. Pursuant to the Option Plan, the Board may from time to time authorize the issue of options to directors, officers, employees and consultants of the Corporation and its subsidiaries or employees of companies providing management or consulting services to the Corporation or its subsidiaries. The number of Common Shares reserved for issuance to any one person pursuant to options granted under the Option Plan, together with any Common Shares reserved for issuance pursuant to options granted to that person during the previous 12 months, must not exceed 5% of the issued and outstanding Common Shares at the time of granting of the options, provided that the number of options granted to consultants in a 12-month period must not exceed 2% of the outstanding Common Shares of the Corporation and the number of options granted to persons employed in investor relations activities on behalf of the Corporation must not exceed 2% of the outstanding Common Shares in the aggregate at the time of grant in any 12-month period. Unless the Corporation has obtained disinterested shareholder approval in accordance with the policies of the TSX-V, under no circumstances shall the Option Plan, together with any other share compensation arrangement, result in or allow at any time, the number of Common Shares reserved for issuance pursuant to options granted to insiders exceeding 10% of the outstanding Common Shares at the time of granting the options, the issuance to insiders within a one year period, of a number of Common Shares exceeding 10% of the outstanding Common Shares at the time of granting the options, the issuance to any one insider within a one year period, of a number of Common Shares exceeding 5% of the outstanding Common Shares at the time of granting the options, or any reduction in the exercise price of options granted to any person who is an insider at the time of the proposed reduction. All options granted under the Option Plan are non-assignable and non-transferable.

If an optionee ceases to be employed by the Corporation or ceases to act as a director or officer of the Corporation or a subsidiary of the Corporation (other than as a result of the death of the optionee), any option held by such optionee may be exercised within 90 days after the date such optionee ceases to be employed or act as an officer or director. If an optionee dies prior to the expiry of his option, his legal representative may, by the earlier of one year from the date of the optionee’s death (or such lesser period as may be specified by the Board at the time of grant the option) and the expiry date of the option exercise any portion of such option.

Options fully vest on the date of grant with the exception of options issued to Consultants providing investor relations services, which vest in stages over a minimum of 12 months with no more than ¼ of the options vesting in any three month period. The Option Plan provides that if a change of control, as defined therein, occurs, all Common Shares subject to option shall immediately become vested and may thereupon be exercised in whole or in part by the option holder. A full copy of the Option Plan will be available for inspection at the Meeting and is available under the Corporation’s profile at www.sedar.com.

At present, the Corporation has 26,888,226 Common Shares issued and outstanding. This means that 2,688,822 Common Shares are currently available for options granted under the Option Plan at the date hereof. As the number of options currently outstanding is 35,000 the number of options available for grant is 2,653,833.

In order for the resolution approving the Option Plan to be effective, it must be approved by the affirmative vote of a majority of the votes cast in respect thereof by shareholders present in person or by proxy at the Meeting.

“RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. The Option Plan of the Corporation, as described in the Corporation’s Information Circular dated May 10, 2016 and the grant of options thereunder in accordance therewith, is hereby ratified and shall continue and remain in effect until further ratification is required pursuant to the rules of the TSX Venture Exchange or other applicable regulatory requirements.
2. the number of Common Shares reserved for issuance under the Option Plan shall be no more than 10% of the Corporation’s issued and outstanding share capital at the time of any stock option grant;
3. the board of directors of the Corporation be authorized to make any changes to the Option Plan, as may be required or permitted by the TSX Venture Exchange; and
4. Any one director or officer of the Corporation is authorized and directed, on behalf of the Corporation, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things that may be necessary or desirable to give effect to this ordinary resolution.”

Creation of a New Control Person

The TSX-V requires that where a transaction results in a “change of control”, the approval of a majority of shareholders is required. Under TSX-V policies, a “change of control” includes situations where after giving effect to the contemplated transaction and as a result of such transaction: (a) any one person holds a sufficient number of the voting shares of an issuer to affect materially the control of the issuer; or (b) any combination of persons, acting in concert by virtue of an agreement, arrangement, commitment or understanding, hold in total a sufficient number of the voting shares of the issuer to affect materially the control of the issuer, in either case where such person or combination of persons did not previously hold a sufficient number of voting shares to affect materially the control of the issuer. In the absence of evidence to the contrary, any person or combination of persons acting in concert by virtue of an agreement, arrangement, commitment or understanding, holding more than 20% of the voting shares of the issuer is deemed to materially affect the control of the issuer.

In April, 2016, the Corporation received a subscription from Evanachan Limited for the purchase of 2,500,000 units at a price of \$0.10 per unit (the “**Evanachan Private Placement**”). On April 8, 2016, the Corporation issued to Evanachan Limited 2,500,000 units of the Corporation at a price of \$0.10 per unit (a “**Unit**”), with each Unit consisting of one common share of the Corporation (the “**April 2016 Shares**”) and one share purchase warrant, with each warrant (a “**April 2016 Warrant**”) entitling it to purchase an additional common share of the Corporation at an exercise price of \$0.15 per share for a period of three years, provided that in the event that the closing price of the Corporation’s common shares on the TSX-V is equal to or greater than \$0.25 for twenty consecutive trading days, the Corporation has the right to accelerate the expiry date of the warrant to 30 days upon notice to the holder. The 2,500,000 April 2016 Shares and 2,500,000 April 2016 Warrants represents approximately 17% of the issued and outstanding common shares of the Corporation, assuming the exercise of the April 2016 Warrants.

Prior to the acquisition of the Units, Evanachan Limited held 1,000,000 Common Shares of the Corporation. As a result of the acquisition of the Units, Evanachan Limited now holds over an aggregate of 3,500,000 common shares of the Corporation and 2,500,000 April 2016 Warrants collectively representing approximately 20.4% of the issued and outstanding Common Shares of the Corporation, assuming the exercise of the April 2016 Warrants.

Pursuant to the April 2016 Warrant, no April 2106 Warrant may be exercised by the holder which will result in the holder holding or becoming a “control person” (as this term is defined under the policies of the TSX-V), unless the Corporation has obtained shareholder approval for the holder to be a control person.

The April 2016 Warrant remains subject to Shareholder approval. Consequently it is possible that upon the exercise of the 2016 April Warrants, Evanachan Limited would become a “control person” of the Corporation under applicable securities laws and that such exercise may result in a change of control under TSX-V policies.

Accordingly, the Corporation is seeking disinterested shareholder approval to the potential change of control arising from the exercise of the 2016 April Warrants and shareholders, excluding Evanachan Limited (who currently owns 3,500,000 common shares of the Corporation), will be asked at the Meeting to approve the following ordinary resolution, in substantially the following form:

“BE IT RESOLVED AS AN ORDINARY RESOLUTION OF DISINTERESTED SHAREHOLDERS THAT the issuance of common shares of the Corporation to either Robert McEwen or Evanachan Limited on the exercise of share purchase warrants held by either of them, in such circumstance where Robert McEwen and Evanachan Limited will collectively hold 20% or more of the issued and outstanding common shares of the Corporation as a result of such exercise (and thereby result in a change of control under TSX Venture Exchange policies), be and is hereby authorized and approved.”

The Board recommends that you vote in favour of the above ordinary resolution of disinterested shareholders. In the absence of a contrary instruction, the persons named in the enclosed form of proxy intend to vote in favour of the resolution.

EXECUTIVE COMPENSATION

All dollar amounts in this Circular are expressed in Canadian dollars unless otherwise indicated.

Compensation Discussion & Analysis

The Board is responsible for the oversight of the Corporation’s strategy, policies and programs on the compensation and development of senior management and directors. The Board is advised on such matters by the Corporation’s Compensation Committee.

The Corporation’s executive compensation program is intended to provide an appropriate overall compensation package that permits the Corporation to attract and retain highly qualified and experienced senior executives and to encourage superior performance by the Corporation. The Corporation’s compensation policies are intended to motivate individuals to achieve and to award compensation based on corporate and individual results. The compensation of the Corporation’s executive officers is established based on a relatively equal weighting of each of these considerations.

Compensation for the Corporation’s executive officers is intended to reflect a fair evaluation of overall performance and is intended to be competitive in aggregate with levels of compensation of comparable corporations. The Corporation’s compensation structure is primarily composed of two components: base salary and options to purchase Common Shares. The Corporation generally strives to use long term incentives, such as the grant of stock options, as performance incentives for executive management and to provide the opportunity for overall compensation of employees, including executives, to be above industry-average levels as well as to increase the alignment of interests between employees, executive management and shareholders. Executive officers and directors are eligible to be granted stock options under the Option Plan, and previous grants of options are taken into consideration when considering new grants. The Option Plan is intended to provide long term rewards linked directly to the market value of the Common Shares. The Corporation is of the view that the Option Plan is in the best interests of the Corporation and will assist the Corporation to attract, motivate and retain talented and capable board members and executive management.

The Corporation does not have a pension plan benefit program nor a non-equity incentive plan in place. Therefore, there were no payments or benefits in connection with a defined benefit or a defined contribution plan and no annual incentive plan or long-term incentive plan awards offered to the Named Executive Officers (as defined below) during the Corporation’s most recently completed financial year.

Given the current stage of development and the limited elements of executive compensation, the Board believes it has effective risk management and regulatory compliance relating to its compensation policies used in determining executive compensation. Risks related to compensation are taken into consideration as part of the general review and determination of executive compensation by the Board. Inappropriate and excessive risks by executives are

mitigated by regular Board meetings during which financial and other information of the Corporation is reviewed, and which information includes executive compensation. Interested directors declare their interest and abstain from voting on compensation matters. No risks have been identified arising from the Corporation's compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

The Corporation does not permit its NEOs (as defined below) or directors to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Compensation Committee

The Compensation Committee of the Board is responsible for advising and making recommendations to the Board on matters relating to the compensation, development and recruitment of senior officers and directors. The Compensation Committee is composed of a majority of independent directors.

The current members of the Compensation Committee are Messers. George Salamis, Ian Ball and Don Poirier. For the ensuing year, the members of the Compensation Committee are expected to initially be comprised of Ian Ball and Gary Thompson. Messers. Salamis and Ball are considered to be independent from the Corporation. Mr. Poirier, was a nominee of Hecla Canada Ltd. (“**Hecla**”), a significant shareholder of the Corporation, is not considered independent. Each member of the Compensation Committee has direct experience relevant to their responsibilities on the committee, including acting as officers and directors of other publicly traded corporations, and as a result is familiar with remuneration in the Corporation's industry.

Skills and experience that enable the Compensation Committee to make decisions on the suitability of the Corporation's compensation policies and practices include:

Mr. Ian Ball: President & CEO, Director of Abitibi Royalties Inc.

Mr. Don Poirier: former VP, Corporate Development of Hecla and Hecla Mining Company.

Mr. George Salamis: Chairman and director of Integra Gold Corp.

National Instrument 58-101 *Disclosure of Corporate Governance Practices* and National Policy 58-201 *Corporate Governance Guidelines* require issuers to disclose the corporate governance practices that they have adopted. National Instrument 58-101 mandates disclosure of corporate governance practices for venture issuers in Form 58-101F2. Set forth below is a description of the Corporation's current corporate governance practices.

Board of Directors

The Board facilitates its exercising of independent supervision over the Corporation's management through frequent meetings of the Board.

The mandate of the Board, as prescribed by the BCBCA, is to manage or supervise the management of the business and affairs of the Corporation and to act with a view to the best interests of the Corporation. In doing so, the Board oversees the management of the Corporation's affairs directly and through its committees.

Mr. Ball, will be, if elected, a "independent" director in that he is independent and free from any interest, and any business or other relationship which could reasonably be perceived to, materially interfere with the director's ability to act with the best interests of the Corporation, other than interests and relationships arising from shareholdings. Messers. Thompson and Moodie are current members of management and are, therefore, not considered independent.

The Board has not developed written position descriptions for the Chairman of the Board or for each chairman of each Board committee. Their primary roles are managing the affairs of the Board or such committee including ensuring the Board or such committee is organized properly, functions effectively and meets its obligations and responsibilities. Each chairman conducts the affairs of the committees in accordance with the charters of such committee.

The Board and CEO have not developed a written position description for the CEO. The roles and responsibilities of the CEO are to develop the Corporation's strategic plan; carry out a comprehensive operational planning and budgeting process; monitor the Corporation's financial performance against budget; and identify risks and opportunities in the Corporation's business and manage them accordingly.

Board members have full access to our records.

Ethical Business Conduct

The Board is of the view that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates reasonably independently of management and in the best interests of the Corporation.

Nomination of Directors

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the mineral exploration industry are consulted for possible candidates.

Compensation

The Board has established a Compensation Committee to determine the compensation of directors and the CEO. Reference is made to the Compensation Discussion and Analysis contained in the Circular under the heading "Executive Compensation".

Other Board Committees

Other than the Audit Committee and the Compensation Committee, the Corporation has a Corporate Governance Committee and a Technical Committee. The current members of the Corporate Governance Committee are Don Poirier, Gary Thompson and George Salamis, and the current members of the Technical Committee are Gary Thompson, George Salamis, and Sorin Posescu, VP Exploration. The Corporate Governance Committee is responsible for advising the Board of the appropriate corporate governance procedures that should be followed by the Corporation and the Board and monitoring whether they comply with such procedures. The Technical Committee is responsible for designing and executing the Corporation's exploration programs at its Thorn and Langis properties.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees. The Audit Committee will annually review the Audit Committee charter and recommend revisions to the Board as necessary. The Corporation feels its corporate governance practices are appropriate and effective for the Corporation, given its size and operations. The Corporation's method of corporate governance allows for the Corporation to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excessive administrative burden.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No director, proposed nominee for election as director, executive officer or their respective associates or affiliates, other management of the Corporation, employees, or former executive officers, directors or employees were indebted to the Corporation or any of its subsidiaries or is or has been indebted to another entity where such indebtedness is or has been the subject of a guarantee, support agreement, letter of credit or other similar

arrangement or understanding provided by the Corporation or any of its subsidiaries, as of the end of the most recently completed financial year or as at the date hereof, other than routine indebtedness.
