VANCOUVER, British Columbia, July 11, 2025 - Brixton Metals Corporation (**TSX-V: BBB, OTCQB: BBBXF**) (the “Company” or “Brixton”) is pleased to announce that it completed on July 11, 2025, the non-brokered private placement previously announced on July 7, 2025 (the “Offering”). The Offering consisted of 18,234,708 flow-through shares (each, a “FT Share”), for total gross proceeds of \$2,370,512.04.

Each FT Share was issued as a “flow-through share” within the meaning of the *Income Tax Act* (Canada).

The use of proceeds will be for drilling at the Company’s Thorn Project in British Columbia.

The securities issued to subscribers of the FT Shares are subject to a hold period until November 12, 2025, pursuant to applicable Canadian securities laws.

Finder's fees of an aggregate \$51,000.71 and 392,313 warrants to purchase common shares of the Company at a per share price of \$0.13 until July 11, 2027 were paid to persons who introduced the Company to subscribers to the Offering.

Information set forth in this news release may involve forward-looking statements under applicable securities laws. Forward-looking statements are statements that relate to future, not past, events. In this context, forward-looking statements often address expected future business and financial performance, and often contain words such as “anticipate”, “believe”, “plan”, “estimate”, “expect”, and “intend”, statements that an action or event “may”, “might”, “could”, “should”, or “will” be taken or occur, or other similar expressions. All statements other than statements of historical fact included herein are forward-looking statements, including, without limitation, statements regarding potential quantity and/or grade of minerals, potential size and expansion of a mineralized zone, proposed timing of exploration and development plans, and the use of proceeds of the Private Placement. By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors include, among others, the following risks: the need for additional financing; operational risks associated with mineral exploration; fluctuations in commodity prices; title matters; and the additional risks identified in the annual information form of the Company or other reports and filings with the TSXV and applicable Canadian securities regulators. Forward-looking statements are made based on management’s beliefs, estimates and opinions on the date that statements are made and the Company undertakes no obligation to update forward-looking statements if these beliefs, estimates and opinions or other circumstances should change, except as required by applicable securities laws. Investors are cautioned against attributing undue certainty to forward-looking statements.

Brixton does not undertake to update any forward-looking information except in accordance with applicable securities laws.
