

Full-Time Core Cutter (Seasonal)

JOB DESCRIPTION

Brixton Metals Corporation is a publicly traded (TSXV: BBB) (OCTQB: BBBXF), Canadian mineral exploration company focused on the advancement of its **copper-gold-silver exploration projects**. Brixton wholly owns four exploration projects in BC, Ontario and Montana.

The position of **Core Cutter** is located at Brixton Metals' Thorn Project in Northwest British Columbia (near Whitehorse, YT) for May - September 2026 (anticipated) with possibility of extension.

RESPONSIBILITIES

Duties may include, but are not limited to, the following:

- Assisting crew with lifting and moving loaded core boxes;
- Operating a core saw to split drill core for sampling;
- Ensuring proper procedures and QAQC are maintained throughout sampling;
- Preparing samples for submission to assay laboratories with proper QAQC protocol;
- Daily cleaning of work area and core saws, sweeping debris from floor and arranging work supplies;
- Additional work in and around camp as required; and
- Demonstrate awareness and commitment to health, safety, community and environmental protection in keeping with Brixton Metals' goals and objectives.

QUALIFICATIONS

- Eligible to work in Canada at time of application.
- Previous experience in a similar role is preferred.
- Valid driver's license.
- Reliable with a strong work ethic.
- Cooperative team player.

ADDITIONAL INFORMATION

- Work location is a remote, live-in camp, which is only accessible by air and is located in Northwest British Columbia (near Whitehorse, YT).
- Ability to work in areas of extreme and difficult weather conditions.
- Rotational schedule is required (long work rotations).
- Must be able to lift/move up to 50lbs throughout a work shift.
- This position may be suitable for co-op students.
- Pay rate: \$ 32.00-38.00/hour, commensurate with experience.

HOW TO APPLY:

Please email your cover letter and CV to: careers@brixtonmetals.com

* Professional reference check is required for shortlisted applicants.
