

Project Manager (Seasonal)

JOB DESCRIPTION

Brixton Metals Corporation is a publicly traded (TSXV: BBB) (OCTQB: BBBXF), Canadian mineral exploration company focused on the advancement of its **copper-gold-silver exploration projects**. Brixton wholly owns four exploration projects in BC, Ontario and Montana.

The position of **Project Manager (seasonal, cross-shift)** is located at Brixton Metal's Thorn Project in Northwest British Columbia (near Whitehorse, YT) for May - September 2026 (anticipated) with the possibility of extension.

RESPONSIBILITIES

The main responsibilities include, but are not limited to:

- Budget management and reporting;
- Providing project updates to management on a consistent basis;
- Logistics planning including management of fuel and supplies transported via airplane and helicopter;
- Staff scheduling and payroll reporting;
- Managing contracts with vendors and suppliers;
- Overseeing the camp catering, maintenance, contractors, and safety & environmental matters;
- Maintenance and troubleshooting of equipment and remote camp infrastructure;
- Leading regular safety meetings and upholding safety standards;
- Completion of Mine Hazard and Accident Reports and timely filing of WorkSafe BC reports as required;
- Directing fire response teams and environmental impact mitigation;
- Additional work in and around the work site as required; and
- Demonstrate awareness and commitment to health, safety, community and environmental protection in keeping with Brixton Metals goals and objectives.

QUALIFICATIONS

- A Business Diploma or at least 2 years project management experience plus past mineral exploration and/or mining experience is preferred.
- Knowledge in the workings of diamond drills considered an asset
- Eligible to work in Canada at time of application.
- Valid driver's license.
- Reliable with a strong work ethic.
- Cooperative team player.
- This position may be well suited to individuals with strong project management abilities along with skills in trades (electrical, construction, plumbing, equipment repairs).

ADDITIONAL INFORMATION

- This position is a cross-shift with training provided.
- Work location is a remote, live-in camp, which is only accessible by air and is located in Northwest British Columbia (near Whitehorse, YT).
- Ability to work in areas of extreme and difficult weather conditions.
- Rotational schedule is required (long work rotations).
- Must be able to lift/move up to 50lbs throughout a work shift.
- Pay rate: \$40.00-\$45.00/hour, commensurate with experience.

HOW TO APPLY:

Please email your cover letter and CV to: careers@brixtonmetals.com

* Professional reference check is required for shortlisted applicants.
