

Core Cutter

(Haileybury/Cobalt, Ontario)

JOB DESCRIPTION

Brixton Metals Corporation is a publicly traded (TSXV: BBB) (OCTQB: BBBXF), Canadian mineral exploration company focused on the advancement of its **copper-gold-silver exploration projects**. Brixton Metals is hiring for its Langis-HudBay Project.

We are currently seeking a **Core Cutter** beginning in early April 2026 (anticipated) and continuing for the duration of the drill program.

RESPONSIBILITIES

Duties may include the following:

- Moving loaded core boxes (lifting, carrying);
- Operating a core saw to split drill core for sampling (experience required);
- Prepare samples for submission to assay laboratories using established QAQC procedures ensuring proper procedures and QAQC are maintained throughout sampling process;
- Daily cleaning of work area and core saws, sweeping debris from floor and arranging work supplies;
- Other work in and around the work site including but not limited to, snow removal and moving containers and other heavy materials/objects;
- Demonstrate awareness and commitment to health, safety, community and environmental protection in keeping with Brixton Metals' goals and objectives.

QUALIFICATIONS

- Eligible to work in Canada at time of application.
- 1-3 years of related experience in a similar role.
- Valid driver's license.
- Reliable with a strong work ethic.
- Cooperative team player.

ADDITIONAL INFORMATION

- Reporting to various field work locations (Cobalt, Ontario & surrounding areas).
 - Must be able to lift/move up to 50lbs throughout a work shift.
 - Rotational schedule.
 - Ability to work in areas of extreme and difficult weather conditions.
 - Personal outdoor work gear is required (i.e. warm clothing, steel-toed boots, rain gear, gloves/mittens, etc.) and is not provided by the Company. PPE (i.e. safety glasses, respirators and high-vis) is provided by the Company.
-
