

JOB POSTING

JOB DESCRIPTION

Job Title: Camp Manager
Location: Thorn Project, North West British Columbia
Duration: Anticipated Spring 2021 - Summer 2021 (to be determined)

ORGANIZATIONAL RELATIONSHIP

The Camp Manager position is located at Brixton Metal's Thorn Property located in North West British Columbia and reports directly to the Project Manager or designate.

RESPONSIBILITIES

- Previous experience in carpentry, plumbing, electrical, and/or other hands-on repair work is required to maintain smooth camp operations, equipment and infrastructure.
- Perform daily maintenance at camp and work effectively with on-site staff and contractors to complete tasks efficiently.
- Manage and maintain inventory of supplies such as fuel, camp supplies, parts, and tools.
- Additional tasks may include, but are not limited to, camp clean-up, supervising camp staff and contractors, assisting with planning & logistics.
- Demonstrate awareness and commitment to health, safety, community and environmental protection in keeping with Brixton Metals goals and objectives.

QUALIFICATIONS

- Previous relevant experience and mechanically inclined.
- Ability to diagnose equipment problems and determine the best course of action to reach a timely solution.
- Preference for candidate located in Whitehorse, YT or Atlin, BC & area.

ADDITIONAL INFORMATION

- Work location is a remote camp only accessible by air.
- Must be able to lift/move up to 50lbs throughout a work shift.
- Ability to work in areas of extreme and difficult weather conditions.
- Ability to share living accommodations and facilities with the team.
- Personal outdoor work gear is required (i.e. warm clothing, steel-toed boots, rain gear, sleeping bag, pillow, etc.), and is not provided by the Company.
